"This idea is sure to take off!..", says Zoe.

THE *SCARE YOUR PARENTS* KIT

Karlie adores mischief, so the prototype for Shed's 'Scare Your Parents Kit' is right up her street. The kit contains a rubber tube, a spoon caked with gunk, some foil and a syringe.

"Simply leave these objects around your bedroom and your parents are sure to have a heart attack...", she chuckles.

CHEEKY CANDLES

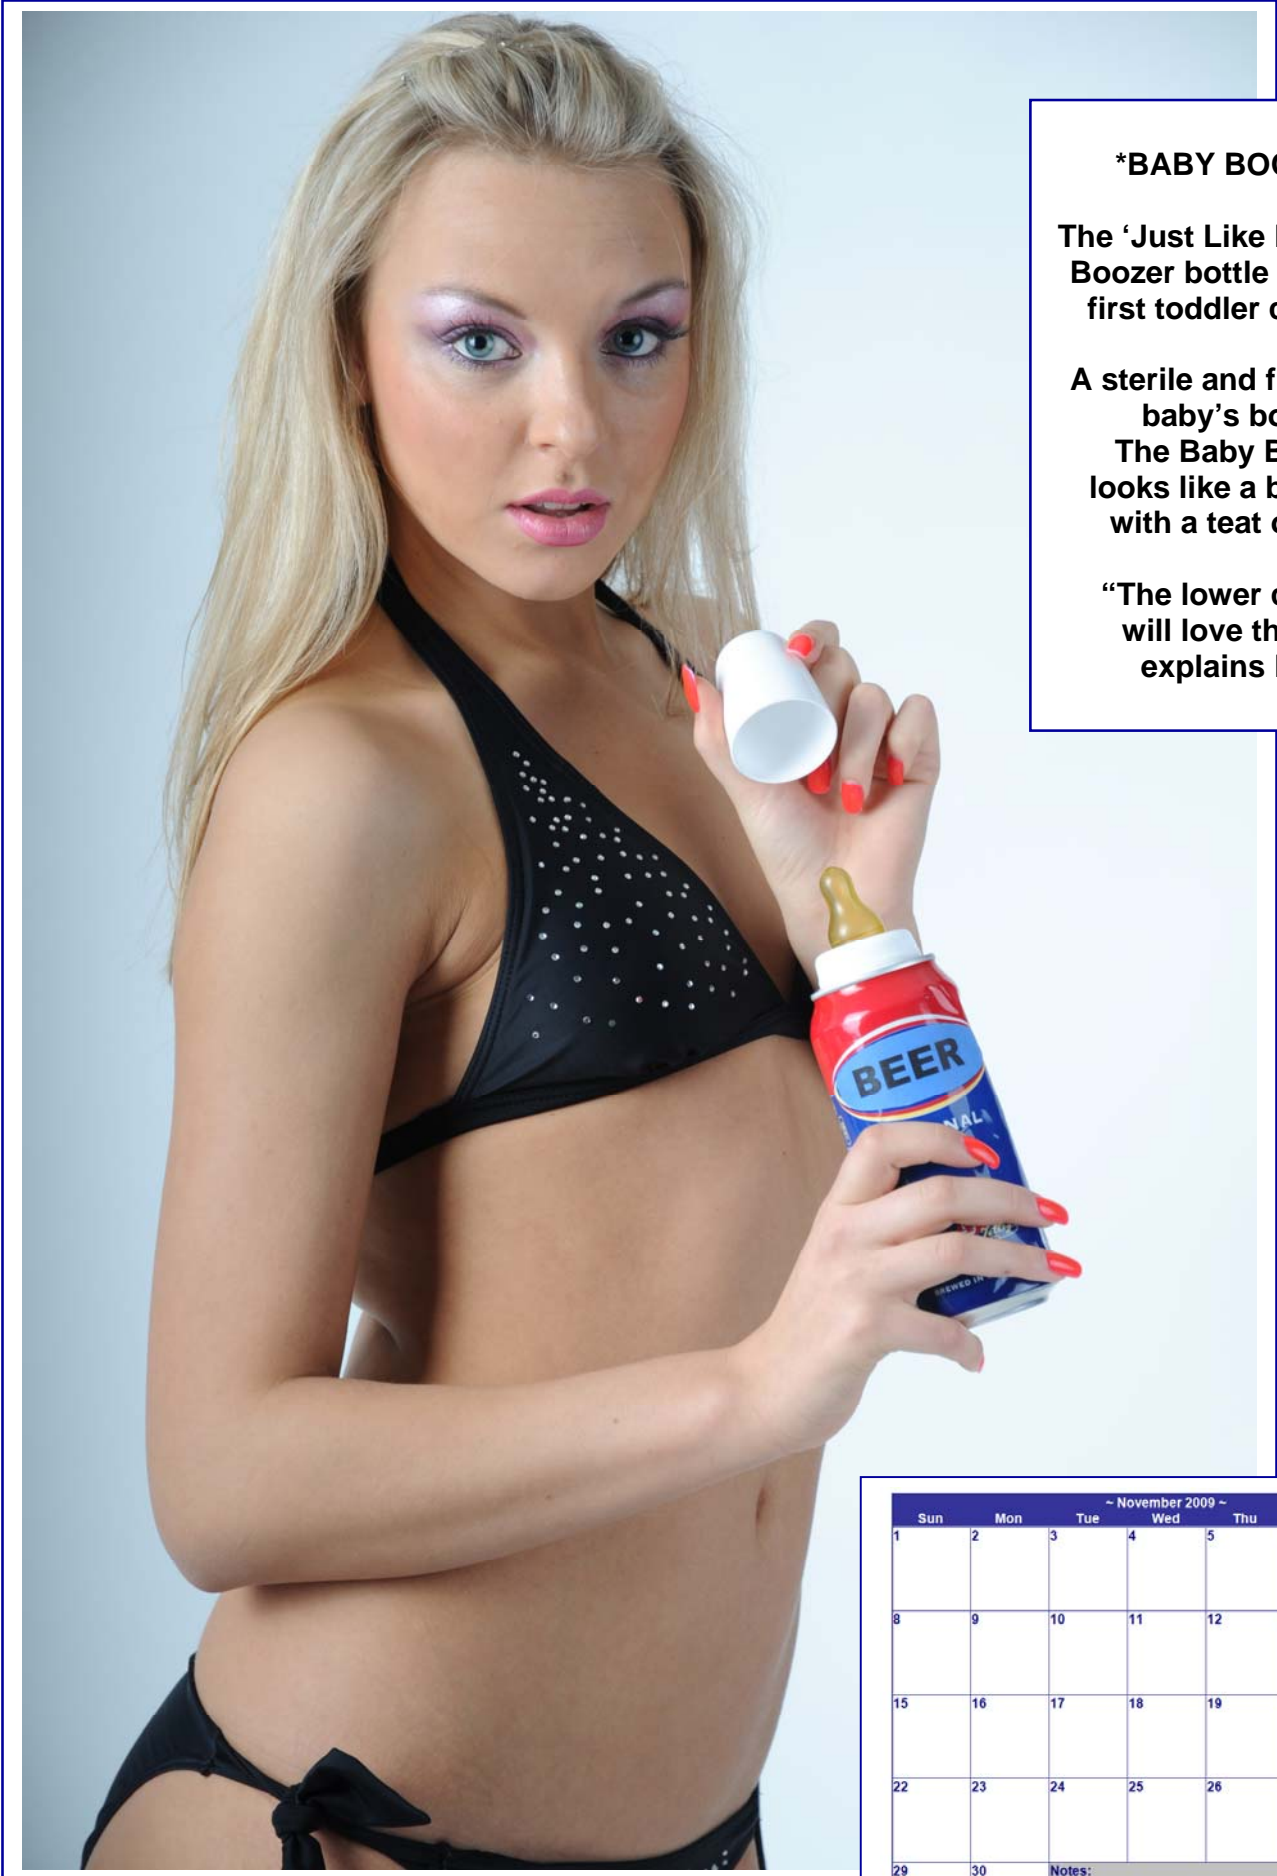

The idea for these cheeky candles came when Shed spotted some candles that spelt 'Happy Birthday'.
